welcome to qualia

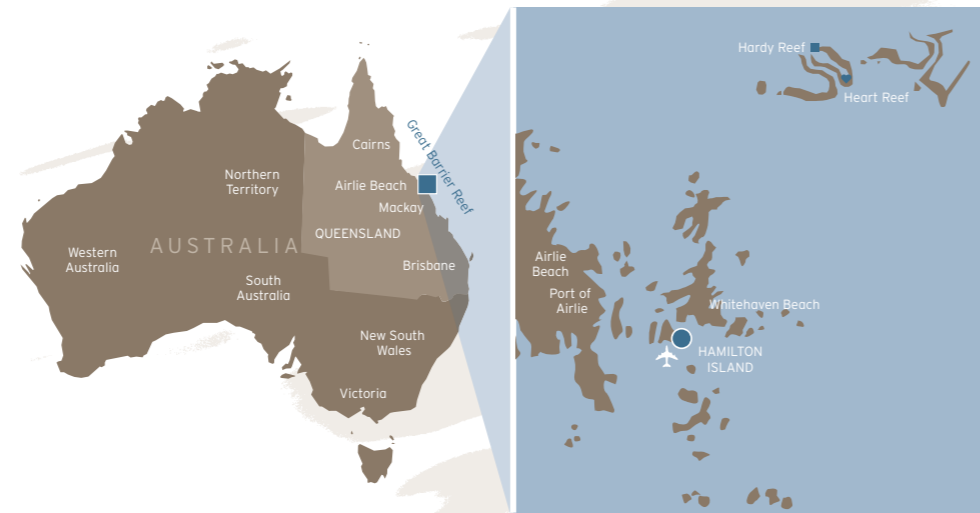

qualia (pronounced kwah-lee-ah), meaning “a collection of deeper sensory experiences”

qualia's distinctive Australian style, combined with its sun-drenched location and intuitive service, makes it a luxurious resort of world-class standards. It's a truly special place where everything has been meticulously considered to relax the mind and completely spoil the senses.

Located on the secluded, northernmost tip of Hamilton Island, one of the 74 Whitsunday Islands situated just off the Queensland coast of Australia, qualia is surrounded by the unsurpassed beauty of the Great Barrier Reef.

Access is easy with just a short, direct flight from Sydney (2 hours), Melbourne (3 hours), Brisbane (90 minutes) or Cairns (70 minutes) to the Great Barrier Reef Airport on Hamilton Island (airport code: HTI). There are also short direct boat transfers from Port of Airlie on the mainland. Guests are met by a qualia Host upon their arrival, for their exclusive VIP transfer to qualia.
